**Bachelor in Civil Engineering, Beni Suef University, Beni Suef**

April 2017

## ★ Objective

Motivated self-taught web designer with a passion for creating visually appealing and user-friendly websites, seeking a web design position to apply and further develop my skills.

## ★ Interests

- Web design and development
- Graphic design
- Online courses and tutorials
- Attending web design meetups or conferences
- Open source contributions

## ★ Projects

### CofeSite

Developed a sleek coffee shop website using HTML, CSS, and JavaScript with Bootstrap for responsive design.

### Jackets Store

Developed a clean and intuitive jacket store website utilizing HTML, CSS, and JavaScript, combined with Bootstrap for responsive design.

### Portfolio page

Created a concise, smart personal portfolio website showcasing work samples and achievements, focusing on intuitive design, easy navigation, and engaging interactive elements.

### shorter links

Created a URL shortening service with a simple, intelligent design, focusing on an intuitive user interface and efficient link shortening functionality.
